

The Nolypen Nosers club was established to “promote the sport of nosework”. The club sponsors two UKC trials per year and intends to add other trials and nosework events throughout the year. Members are expected to attend as many club meetings as possible (club meetings are held once every three months) and to volunteer at the nosework trials and events whenever possible. To participate in any UKC events, you will also need to register your dog with UKC. The UKC registration is a lifetime registration for your dog that allows your dog to participate in any UKC events.
